

Comments and Suggestions

Chinley, Buxworth & Brownside Community Association is managed by a small group of dedicated volunteers. We always need more help. If you are interested in joining the committee, please contact us by email chinleyca@gmail.com or speak to any committee member.

You are very welcome to come along to any of our meetings which are held here at the Community Centre, usually every other month. Meeting dates are listed on the community calendar on our website www.chinleyca.org.uk

We are also keen to hear your feedback about the Community Association, its events and facilities. If you have a suggestion for the improvement of facilities, ideas for future events or would like to help with an activity or set up a new one, please email chinleyca@gmail.com or phone Linda on 01663 750448 or Kieran (Bookings) on 01663 750521
